|-----------|------------------|-----------------------|---------------------|
| Datasheet | DC pump | Working Voltage Range | DC 12V |
| | | Working current | 0.6 A |
| | | Pumping head | 3M |
| | | Flow rate | 7L / Min |
| | | Working temperature | Below 130 degree |
| | | Connector | G 1/2" (male) |
| | PV panel | Power | 30W |
| | | Working Voltage Range | DC 18V |
| | PV panel bracket | Material | Stainless steel 304 |
| | | Quantity | 2 pcs |
